Winkler Pool Management, Inc.

ARE YOU READY FOR THIS YEAR'S LIFEGUARD OLYMPICS?

LIFEGUARD OLYMPICS

The 23rd annual WPM Lifeguard Olympics will be held at the **South Port Apartments pool (6112 Edsall Road, Alexandria, VA)** at 6:30 a.m. on Monday, August 4th.

Those of you unfamiliar with the WPM Lifeguard Olympics, it is an annual competition of teams formed by each Area Supervisor of WPM lifeguards that compete in a series of timed events testing their lifeguarding skills. Events tested skills such as the approach stroke, rescue of a passive victim and submerged victim as well as the paddle boat relay. All events are timed with 1 point awarded for the team with the quickest time, 2 points for the next fastest, etc. The team with the least number of total points at the end of all events is declared the winner.

The first place team receives an afternoon at Kings Dominion or Six Flags. Second place is gift cards to the movies and third place winners get gift cards to Chipotle.

All participants and spectators received WPM Lifeguard Olympic T-Shirts. We hope to see everyone there - either to participate or to root your team on.

Electronic Devices

When you are on duty, your primary concern is the safety of the patrons. Therefore, the use of cell phones, i-pads, tablets, computers, electronic games or any other electronic device is strictly prohibited when on deck or on duty.

Use of these devices, under any circumstances may be cause for dismissal

END OF SEASON REPLACEMENTS

We need your help in finding your replacement if you cannot work through Labor Day. We also have many pools that remain open through September and a few that stay open throughout the winter that need lifeguards.

If you have friends that are interested but are not certified, we will schedule classes on an as-needed basis. Please

contact our office with names and phone numbers and once we get several people together we will call them back to inform them of the class time and location.

Preference for the indoor, year-round pools will be given to guards that have been with us through the season, have shown up on-time consistently for their shift, kept their pools clean and orderly and who have been willing to fill in as needed.

CERTIFICATIONS

Make sure all your certifications are current and will last through your last day of work. Health Inspections are still going on and will probably occur more frequently. The County will want one last look at all the pools before the season ends and will still expect to see cards on everyone!

SMOKING

Smoking of any kind, cigarettes, e-cigarettes or pipes is not permitted on the pool deck or while on duty.

If you must take a smoke break it must be done off grounds when you are not on duty or on a meal break. Violation of this policy may be cause for dismissal.

PAYROLL PROBLEMS

If you have a discrepancy with a paycheck you have received, with either the number of hours or with the pay rate, please follow this procedure:

☼ The discrepancy should be submitted via e-mail to payroll@winklerpool.com, stating the days and hours you worked and the pool(s) at which you worked. If you no longer work for us or have already left for the summer, please document in writing the discrepancy and e-mail, mail or fax it to our main office (Attention: Payroll): Winkler Pool Management, 4905 Edmonston Road, Hyattsville, MD 20781; fax: 301/779-0559.

☼ All discrepancies and pay rate adjustments will be handled during the payroll cycle. Corrections or requests for further information will appear in your next paycheck. Please help us by e-mailing and not calling the office regarding payroll problems. This only slows down the process and does not allow us to help you as much as if you follow the procedure. Please submit all discrepancies as soon as possible. .

END OF SUMMER

Please remember that it is your performance these last few weeks that will be most heavily critiqued and can effect both your rate of pay and pool placement for the 2015 season. Keep in mind that we like to hire and promote from within. Good guards, become pool managers. Good pool managers can become supervisors!

CONTACTING THE OFFICE/YOUR SUPERVISOR

For those of you who may be just subbing for us these last few weeks you can reach your supervisor through the office: 301/864-4900 (from DC or MD) or 703/451-4664 (from the Northern VA Area) or you may use our toll-free number: 888-616-7946.

The phones are answered in our office generally from 7:00a.m. to 6:00 p.m. Monday through Friday and from 10:00a.m. to 2:00p.m. on Saturdays and Holidays and from 10:00 a.m. to 1:00 p.m. on Sundays.

At all other times the phones are answered by our Answering Service. Should you need to contact your supervisor or the office before or after these hours, you **must** call on one of the above numbers.

VARIABLE PAY (VP)

Many of you have called the office or spoken to your Area Supervisor this summer, saying your pay rate at the top of your pay stub is wrong. The answer in the majority of these cases, is that you are a VP or a Variable Pay. This means that you have two approved rates of pay - one for your primary pool assignment and one rate for all other pools where you may work during the course of the season/year. This is necessary because each pool has a budget and only certain pools can support higher hourly rates.

For example, say you were approved to make \$8.50 at your Pool Assignment and \$7.50 at all other pools. This would mean that when you work at your assigned pool (which can support a \$8.50/hr rate), every hour you work there will be paid at \$8.50 per hour. Should you be asked to work at another

pool, other than your assigned pool, you will be paid at the lower rate (\$7.50/hr), because this is the rate that this pool's budget can support. Your "base rate" (found in the upper left hand corner of your pay stub) will always be the lower of your two rates and the higher rate, or variable rate" monies will be found in the "Other Taxable" (Bottom, left-hand corner) section of your pay stub.

For example, if you worked 81 hours at your \$8.50 per pool assignment, your pay would be as follows: 80 regular hours at \$8.50 = \$680.00 plus one (1) overtime hour at \$12.75. Total gross wages = **\$692.75**. Since you are a variable pay with a \$7.50 base rate, the left-hand column of your check stub would appear as shown below:

WINKLER POOL MANAGEMENT, INC.

Ck 00000

A letter with this same information has also been enclosed in your past paychecks along with your copy of your Employment Agreement.

Hopefully this helps to clear up some of the confusion.
